Join us in picturesque Adelaide for the locksmithing event of the year!

Enjoy engaging speakers, enlightening product demonstrations and exciting networking opportunities all set against the backdrop of the iconic white sands and crystal-clear waters of Glenelg Beach.

Our 43rd Annual Conference is your opportunity to experience the pinnacle of industry knowledge and innovation, connect with members and celebrate the best of best from across Australia and New Zealand.

The Conference & Trade Expo will be held at the Stamford Grand Adelaide Hotel in Glenelg, and the Gala Dinner & Awards night at the Adelaide Convention Centre on North Terrace.

Anthony Lamond will be back for a third time to MC our Gala Dinner, with Peter Rowsthorn to provide the entertainment on the night.

Anthony Lamond - Conference MC

Anthony Lamond is one of Australia's hardest working and much admired Stand-Up comedians having hosted and produced over 750 Shows all around Australia.

He has produced shows and shared the stage with high profile comedians such as Dave Hughes, Jimeoin, Arj Barker, Fiona O'Loughlin, Peter Rowsthorn, Cal Wilson, Merrick Watts, Lawrence Mooney, The Old Fella, Chris Franklin, Heath Franklin and Bob Franklin just to name a few.

Peter Rowsthorn - Entertainment

A high energy, fast paced stand up comedian one minute, a measured character actor the next, and a masterful MC the following...if nothing else Pete Rowsthorn has plenty of experience, just no idea how to keep track of time!

A star of stage and both the small and big screen with numerous movie and television appearances, he was a regular participant on "Thank God You're Here", and hosted the ABC's series "Can We Help" but is probably best known for his role as the downtrodden Brett from Kath & Kim.

Pete's infectious enthusiasm, humour and energy make him one of this country's most popular and memorable entertainers.

NEW

'E-Series' (Euro Narrow Leverset) SMART DOOR LOCK (Hinged Door w/ KNOBS)

PRODUCT DESCRIPTION

LOCKTON 'E-Series' Narrow Smart Door Lock with Fingerprint, Digital PIN Code, RFID Tag and Mobile App functionality.

- Designed for hinged door installations where a smaller turn knob is better suited than the full lever. For example when Architectural Push / Pull Handles have been fitted to the door.
- The ELEV36 - Smart Euro Mortice Lock has double point locking & retrofits existing mortice locks in the market.
- IP66 Rating on external handle means this lock can be installed in almost any application
- Key Override via 6-Pin C4 Rekeyable Half Euro Cylinder that can be converted to restricted profiles
- Lock is available in multiple backset sizes (25-70mm) ensuring a majority of existing installations can be upgraded
- Step by step instructions ensure ease of installation and operation
- Easily Use and Manage the lock via TTLOCK Phone App. Open the Lock, Add Users, Issue Temporary Codes and lots more
- Add up to 300 x Users
- Fingerprint sensing area is perfectly located within proximity of the lever to naturally read a thumb print for quick entry
- Deadbolt can be thrown by turning the knob lever the opposite direction to retracting the latch, giving the combined security of a latching lockset and a deadbolt in the one lock
- Optional G2 & G3 Gateway accessories allow for remote access and control of lock via internet
