SMALL BUSINESS
$20,000
INSTANT ASSET
WRITE-OFF

Summarised Eligibility Criteria (see ATO Website for more info)

The $20,000 instant asset write-off incentive lets you claim back 100% of a business purchase this financial year – instead of depreciating it over four years.

Better still, the $20,000 limit applies per asset, so you can write off multiple eligible purchases.

All items must be Purchased and installed before the 30 June 2025 deadline.

NOTE: SIEPER Group has summarised this information from the ATO's Website as at 1st May 2025, please make sure you seek your own independent taxation advice to ensure your eligibility or visit www.ato.gov.au for more details.
