EURO PINNING JIG

STEP

1

- Remove the 2x screws and remove the top caps from the Euro Cylinder.

STEP

2

- Place the PINNING JIG Over the top of the cylinder.

STEP

3

- Rotate the Cylinder & JIG together 180 degrees & place on the bench.

- The Top Springs & Pins will fall below the housings shearline. This allows the newly pinned barrels to be able to be installed easily.

- Once the barrels are installed with mechanism & circlips, Rotate the Cylinder & JIG together 180 degrees & remove the JIG.

- The Caps can now be re-installed

- Job Done !

PRODUCT DESCRIPTION

- The M-BT remote control duplicates 95% of Fixed code remotes and more than 40 rolling code brands using the latest Cutting Edge mobile technology.
- The M-BT Remote Can integrate up to 4x different remotes to the 1 remote
- Connect your M-BT remote to your mobile phone via Bluetooth and use the JMAREMOTESPRO APP for more advanced functions.
- When integrated with the JMA REMOTES PRO APP it is possible to generate an aftermarket remote for many of the popular Brands that can be introduced to the Receiver

Art ID: M-BT

PRODUCT DESCRIPTION

BT SLIM is the new JMA remote control for opening garages, gates and other doors using your mobile.

Simply attach the device to the rear of your smartphone, connect via Bluetooth to the JMAREmoteSLIM app and press the open button.

Thanks to its thin lightweight design, BT SLIM can be attached to your mobile comfortably and kept in any pocket.

It also offers a number of other attractive features, such as a remote mobile camera shutter button and other extras that will make using your smartphone more convenient.

SCAN to see more info about the JMA BT-SLIM on SGLOCKS

Art ID: BT-SLIM

PRODUCT DESCRIPTION

BT MULTIUSER PRO is the evolution of the JMA system for opening garages, gates and access doors using a mobile phone. More than 100 users can now access a single device, which makes it perfect for property owner's communities and workplaces where access is managed by administrative users.

The new power base also comes with an IP66 protection rating.

.HOW IT WORKS

The BT MULTIUSER PRO system includes:

- Power supply, installed next to the access it will open
- M-BT remote control with 2 or 4 administrator licenses

The remote control is linked with the JMAREmotesUSER app installed on users' phones. Opening is done using a mobile phone via Bluetooth without needing a SIM card or paying for a phone number.
